For purposes of the Legislative Lottery Scholarship, students with disabilities, who may require special accommodations, in consultation with the student and the office at the institution that services students with disabilities, shall review and adjust the amount of credit hours as deemed reasonable and appropriate. At no time shall the student take less than six hours and be considered full-time.

Due to my disability, I am unable to attend twelve credit hours this semester. All other Legislative Lottery Scholarship requirements (continuous enrollment at a N.M. public college or university and a 2.5 GPA) remain unchanged and I am responsible for understanding these requirements.

I give the Financial Aid and Scholarship Services consent to review my application along with the supporting documentation and to report my enrollment and disability status to the New Mexico Higher Education Department. I understand that I must maintain Legislative Lottery Scholarship eligibility requirements during all terms awarded or my award may be cancelled. I understand that the information I provided here is true and correct to the best of my knowledge.

In consultation with the Disability Office, I agree to enroll for _____ credit hours for the _____ semester.
