2022-23 Verification of Other Income

Student: \_\_\_\_\_ Aggie ID: \_\_\_\_\_
LAST FIRST MI

This form is required because you, the student, reported zero income on your 2022-23 FAFSA. To meet with federal regulations, we need to confirm this information before awarding or disbursing federal student aid.

Instructions: You must complete each section reporting all applicable assistance to help our office understand how you were able to cover household expenses. Answer each question below as it applies to you and your spouse, if married. If you are a dependent student, as determined by FAFSA, any other income your parents received must be included. If any item does not apply, enter "N/A" for Not Applicable where a response is requested, or enter "0" in an area where an amount is requested.

Examples of other income may include support from friends and/or family, child support received, allowances for housing and food, Veterans non-education benefits, and money paid on your behalf for tuition and fees.

To determine the correct annual amount for each item: If you or your parent(s) received the same dollar amount every month in 2020, multiply that amount by the number of months in 2020 it was received. If you did not receive the same amount each month in 2020, add together the amounts you received each month.

If more space is needed, provide a separate page with the student's name and ID number at the top.
