Hello AGGIES & future AGGIES!

As we finalize your financial aid for the upcoming academic year, we are committed to keeping you informed about our progress.

While we were hopeful that your account would be updated to include your federal financial aid award by the end of this month, unfortunately, we may not meet this deadline. Be assured that we are working diligently to complete this process as soon as possible so that you are fully aware of the financial resources available to pay for college.

Please note that some financial aid has already been posted to your Financial Aid tab at my.NMSU.edu. These include NMSU scholarships such as the Hadley Honors, Crimson Success, and 1888 as well as the New Mexico Opportunity and New Mexico Legislative Lottery Scholarships. The delay in processing federal aid is due to significant changes to the federal FAFSA® process and affects only federal loans, grants, and work study awards.

We will publish regular updates at fa.nmsu.edu, and we will send weekly emails until all federal aid awards are finalized. Please check your NMSU email and your myNMSU account regularly for updates to your financial aid awards.

We appreciate your patience during this transition and look forward to assisting you in achieving your educational goals at NMSU.

If you have any questions or need assistance, please contact our office at (575) 646-4105 or toll free at (877) 278-8586. We also have additional information on our website: [FAFSA updates](#).

Thank you,
